

AMERICA'S EVERGLADES

Construction Symposium and Exhibition

Registration Application

THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT HOSTS THE 2nd ANNUAL ACCELER8
CONSTRUCTION SYMPOSIUM AND EXHIBITION

Please check one of the following boxes. Are you an: ☐ Exhibitor ☐ Attendee/Visitor

The South Florida Water Management District will host its second annual Acceler8 Construction Symposium and Exhibition on October 13, 2006 at Florida Gulf Coast University, in the Alico Arena.

This all-day event for construction contractors, specialty contractors, vendors and work-force development agencies will provide information on the \$1.8 billion construction program for Acceler8, a group of eight fast-tracked projects needed for Everglades restoration.

Construction on these projects has already begun, but contractors and workers continue to be needed through 2010. The symposium will provide details on the pre-qualification process for all Acceler8 contracts.

Acceler8 is a major boost for Everglades restoration. It reaffirms the commitment of the federal/state/local partnership to revitalize the ecosystem by stepping up the pace on eight restoration projects. For more information, please visit www.evergladesnow.org.

REGISTER TODAY! Register today to guarantee your seat at this premier industry event.
